In 2017 Diamond Valley College offers a wide range of instrumental tuition in *woodwind, brass, percussion, keyboards, singing and guitar*.

Any student who is keen to learn an instrument can apply to join the Diamond Valley College Instrumental Music Program. Once enrolment into the program is accepted your child will be tested as to their suitability in learning an instrument of their choice.

Lessons are held once a week, on a rotating basis, so students are not withdrawn from the same class each week. In that way, it is easier for students to attend their music lessons without affecting their class work in any of their other subjects. Students are expected to practise regularly at home, attend all lessons, and participate in weekly band rehearsals and performances throughout the year.

The cost for your child to participate in the Instrumental Music Program is $400.00 for the whole year, i.e. $100.00 per term. Singing tuition is $200.00 per year or $50.00 if you pay per term.

If you would like your child to enrol in the Instrumental Music Program or Singing Tuition in 2017 please complete the permission slip attached. Full payment for Term 1 is required by **Friday 9 December 2016** to confirm your child’s place. Future term payments are required at the start of each term.
My son/daughter ..................................................... of Homegroup ................. is interested in participating in the Instrumental Music Program in 2017, participating in:
