From the Principal

It is a pleasure to welcome Vanessa Caruso and Emily Stowell to the college with both beginning this week. Vanessa will be working full time as a Social Worker replacing Sarah Wise who is on family leave. Emily will be teaching Psychology and Science and is replacing Melissa Omell who also is on family leave. On behalf of all in the Diamond Valley College community I would like to wish Sarah and Melissa all the very best and thank them for their support of our students.

We are still in process of appointing a Product Design and Technology teacher but hope to have an appointment made this week.

We understand how difficult it is for students when there is a change in staffing and thank them for them patience and understanding.

Our new sign has created a lot of interest, despite the fact that it tells us exactly how cold it is in the mornings! It is a fantastic way of promoting upcoming events and achievements within our community. Please let me know if there is something we can promote within the community, as we do in our newsletter. For example, selection in a representative team or attainment of community recognition.

Our recent netball clinic was a huge success with 140 grade 5 and 6 students attending. The interest in the DVC Sport Academy is increasing and we look forward to welcoming interested parents and students for Year 7 and 8 (2018) to our Information Evening on Wednesday August 30 at 6.00pm. For planning purposes, we are asking guests to book via Try Booking. A link to the event can be found on our website or Facebook page.

It is less than two weeks until Sweeney Todd is being presented at Plenty Ranges Arts and Convention Centre. So much time and effort is put in to a production by staff and students, and their hope is to perform before a full house. Please come along and give them the audience they deserve. Tickets are available from the general office.

Parent Opinion Survey

WE WANT OUR PARENTS TO TELL US WHAT THEY THINK

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents at each school.

It is designed to assist our school in gaining an understanding of parents’ perception of school climate, student engagement and relationships with our parent community. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

The survey will be conducted online by ORIMA Research Pty Ltd and only takes 15 minutes to complete. The survey can be accessed via desktop computer, laptop, tablet or mobile at any convenient time within the fieldwork period from Monday 7th August to Sunday 27th August.

Approximately 80 parents will be invited to participate in this year’s survey. All responses to the survey are anonymous.

The online survey is available in English, Arabic, Vietnamese, Mandarin, Chin (Hakka) and Hindi. Survey language guides will be provided in a range of languages including Albanian, Bengali, Burmese, Cantonese, Dari, Filipino, Greek, Gujarati, Indonesian, Japanese, Karen, Khmer, Korean, Macedonian, Malayalam, Pashto, Persian, Punjabi, Russian, Serbian, Sinhalese, Somali, Spanish, Tagalog, Tamil, Telugu, Turkish or Urdu.

The survey results will be reported back to our school at the end of September and will be reported to the community within our annual report. The data will assist in our review and celebration of 2017 and inform our direction for 2018.

THE ARTS AT DVC

Music, Art & Design, Drama

The Arts Domain have hit the ground running this term with new classes starting for semester 2 and the ongoing focus on the up coming school production.

Final touches are being made to the sets for Sweeney Todd with help from the Year 10 Art class. Rehersals are continuing during the week and there will be a full run with the orchestra on this coming Sunday. On Wednesday the sets will be bumped in to the Plenty Ranges Arts and Convention Centre Theatre with plans for a full dress rehearsal on Thursday 17 August. A matinee and evening show will be performed on Friday 18 August and an evening show on Saturday 19 August . (see the ad in this newsletter for more details) There is also a pie drive to help cover the cost of putting on this exciting show.

In classroom Music and Drama our VCE students are preparing for their solo performances to be held in October. The Year 8 Drama class is learning how to use mime, whilst the Year 7 Music classes have been looking at rhythm and taking inspiration from famous composers in order to create their own music.

In Art & Design classes all our classes have been focused on the elements and principles. Year 8.3 and 8.4 have been focused on Line, Texture and Pattern in their ‘Animals in Camouflage ‘ artwork and 8.5 are using Line and Movement to create an nature inspired Lino Print design. In Visual Communication Design 8.1 and 8.2 are working with the element of type to produce their own expressive fonts.

Year 10 Art have been working with mixed media to apply the elements and principles creating aesthetically pleasing compositions using contrast and balance. Their main focus is on creating a focal point and visual movement with in their artwork. Year 10 Visual Communication Design are focused on combining all 16 design elements and principles in a series of images.

Finally, this semester’s Year 7 classes are working with clay to produce mythical creatures and blossoms inspired by the art of Ai Wei Wei.

MY EXPERIENCE AS A STUDENT EXCHANGE IN ITALY 2017

My experience in Italy was amazing, I had a lot of fun and made a heap of new friends that I will never forget. The schools there were so different to the schools here because we had to go on Saturday but I helped teach with an English teacher. I visited a couple of places like Rome, Florence, Pisa and Assisi. They were such amazing places and I want to go back, I lived in a small town called Avellino. My host family had my host mum and dad and three little brothers aged 14, 10 and 8. They were really nice and cooked really good food. I enjoyed Italy a lot and I can't wait to go back. I would like to say thanks to Rosa M for helping me to participate and have the wonderful opportunity.

ITALIAN LUNCH

On Tuesday August 1, we had a special VCE Italian lunch. It comprised of Italian pasta dura (bread), with a combination of mild salami and the traditional Italian cold meat called Mortadella which some of us have never eaten before. It was delicious. Then we had a choice of putting the scrumptious Italian cheese (provolone) on an Italian sandwich. After this we had an opportunity to eat an Italian chocolate sponge cake with Italian lollies that had a burst of real lemon or orange inside the lolly. The food is so different. We would like to say thanks to Rosa for getting us the food. It gave us a boost and motivation in our learning and speaking Italian.

WORLD CHALLENGE - 1000 STEPS

Students began some hard core training for Vietnam last Friday when they took their packs and hiking shoes to the 1000 steps. As a group we hiked in the cold and worked as a team to encourage all members to carry their loads to the top. Some students carried loads of up to 20 kilos in their packs for individual challenges. After Fridays adventure the team had a review to assess where we are at and where we need to be for our fitness. Exciting times ahead...

School For Student Leadership – Gnrud GUNDI DJ

The first week flew by. Our expo group is called 2A and the other school in our expo group is Merbein SC so we have ten students in the expo group. On the first Tuesday, we had teams day with Merbein, which is doing a bunch of activities with your expo group so you get to know each other. We got our computers the same day and we had trouble setting up one note but they finally got it working on the Thursday.

This week we had some more team activities like bridge building, where we attempted to build a bridge, but the day was really about teamwork. We also learnt the essential skills like using a trangia so that we can cook and setting up tents and packing the bags. We also got our weebly working and are posting our DEARR daily on that.

So that’s basically the backbone of what we did at Gnrud GUNDI DJ in our first two weeks.

This is a call for support for women in our world who are less fortunate than us.

The Seven Women Organisation helps women in rural and remote mountain villages in Nepal.

As part of their work many Australian women are working in ‘chapters’ (groups) making sanitary pads and holders for women in these places as far as Cambodia. These women do not have access to sanitary pads and due to the fact that there is no landfill, pads are not used, as well as not having the money to buy them anyway.

Out wonderful, big hearted canteen lady Annie and her trusty band of friends and canteen helpers are holding a Sewing for Nepal Day on Thursday 5 October 2017 and we are looking for donations of items and support.

The day will be held in the Textile Room at Diamond Valley College from 10:00am – 2:00pm.

The aim of the day is to complete 70 bags to go to these women as soon as they are completed. The bags will be given to them at no cost so as you can imagine there will be a lot of work to do.

Each bag is made of cotton with a drawstring and inside each one there is:

- 2 pad holders
- 8 handmade pads
- A small face towel or face washer
- 2 pair of cotton knickers
- A small bar of soap
- A plastic washbag to wash their things in 240mm x 340mm
- All of these items are enclosed in another zip top plastic bag 240mm x 340mm

The making of this bag and its contents is a lot of work and this is where we are asking for your support and help. We need donations of knickers and face washers which can be left with Annie in the canteen. If you could make it on the day it would be greatly appreciated, it is a fun day for such a worthy cause and lunch will be provided.

After her mum died in a shock accident, Layla's grieving father packed their bags and forced her to leave behind everything she’d ever known. That is, until Layla shows up five years later in his parents’ bookshop without so much as a text message.

Pretty soon they're drawn into a tangled mess that guarantees someone will get hurt....

TRAVELLING ON PUBLIC TRANSPORT

It is important that all students travel with a valid myki, and that their myki is touched on and off during every trip. This includes students who use a six-monthly or yearly pass. Myki usage data is vital in determining loading levels and information on frequently used stops.

Moreover, it is a PTV requirement that all students travel with a valid myki. Students caught fare evading risk receiving a $79 infringement. If drivers observe a large number of students not touching on their myki, it may become necessary that PTV Authorised Officers visit bus/train services and assist students with boarding.

ONBOARD SAFETY

How to be a good passenger

- Be respectful to bus drivers and don’t distract them while they are driving - they have an important job to drive the bus safely.
- If you see something wrong, say something to the driver or call the police.
- Ensure people with special needs can access the priority area.
- When the bus is crowded please move towards the rear.
- Offer your seat to someone that needs it more than you do.
- If there’s a seatbelt, wear it – it’s the law.
- Safely store your bags to reduce trip hazards.

BUS SAFETY - A SHARED RESPONSIBILITY.

LOCAL BUS SERVICES

Buses are essential transport for many people who want to access local services and social activities. Many bus passengers are also our most vulnerable citizens.

If you’re a passenger who has special needs:

- Please ask the driver for help.
- Make your way to the priority seating area by using the handrails.
- Use the stop button and wait for the bus to stop before standing and moving to the exit.
- Use the handrails to help you get off the bus safely.

Passengers should:

- Always offer the priority area when someone with special needs requires it.
- Assist if you see someone who needs help or notify the bus driver.

BUS SAFETY - A SHARED RESPONSIBILITY.

Dear Parents & School Community Members

As part of our plan to raise funds for Diamond Valley College PERFORMING ARTS we are running a fantastic Routleys Bakery Fundraiser.

Routleys Bakery has been making Pies & Cakes for over 60 years, so have perfected their recipes over a long time.

I am pleased to announce that for this drive we have selected a range of Routleys most popular products as part of the fundraiser. For every pack that you sell, DVC will make approximately a 30% profit.

All of our profits will go towards the College Production Fund.

You will be able to collect your special Routleys Order on Tuesday 19 September.

We suggest you sell to family members, colleagues in the workplace, friends or neighbours. It is recommended that children involved in selling do so under adult supervision, especially if selling door to door.

We ask that all orders and money collected be returned to the General Office no later than Friday 8 September.

Fundraising activities such as this make a vital contribution towards improving facilities and resources for the benefit of our students. In anticipation of a successful fundraising drive, I thank you for your support.

Please print the order form on the next page and return completed with payment in a sealed envelope to the general office.
