In the past fortnight, I have attended a number of events that have been an absolute pleasure. They have provided me with the opportunity to mingle with parents and students, obtaining feedback that was positive as well as opportunities for improvement.

The Year 12 camp provided our students the opportunity to establish good work practices right from the beginning of the year. The study skills program is extremely valuable, as is the lecture presentation and time with home group teachers. I was impressed with the manner in which the students approached their study sessions, always ready to use their time wisely and work together to support each other. It sets the tone for the busy and challenging year ahead. I wish them nothing but the best and encourage them to aim high.

The College Swimming Carnival was a fun day, with students dressed in their house colours demonstrating creativity and flair. Many students participated in the competitive and novelty events. It always impresses me how students come together on days such as this, offering to help in any way they can and enjoying the activities on offer.

College Council nominations are currently open and we are seeking three (3) parents and three (3) staff. Nominations close Monday **11th March, 2019**. This is a valuable opportunity to have a say in aspects of the decision making processes of the school. It is so important that each group be represented, so please consider taking advantage of this opportunity. Council meets on the third (3rd) Monday of the month from 5.30pm to 7.00pm and members are asked to sit on one Sub Committee whose meetings are held at varying times between 5.00pm and 8.00pm on the first (1st) Monday of the month.

The College values of respect, responsibility and excellence are not just words that we display around the College, they are actions that we expect to see and hear. They underpin all that we do at Diamond Valley College and we expect them to be considered by our students, teachers and parents. I ask that you support us with a few issues that have arisen recently, including compliance with the Council endorsed College uniform, attendance at whole school College events, disciplinary consequences if required and compliance with requests regarding parking to ensure student safety. Working together, we can provide the best opportunities and a safe environment for our students and staff.

### Notice of School Council Election and Call for Nominations

**Diamond Valley College is still seeking nominations for three parent member vacancies.**

Nomination forms may be obtained from the General Office at the school or downloaded from the College Website and must be lodged by 4.00pm Monday 11<sup>th</sup> March.

## 'FREE STYLE' FASHION at the Swimming Carnival 2019

Each year, students from the Junior and Senior school surprise us with their creativity, skill and sheer fun-filled attitude. The colour, design of costumes and imaginative and wacky ways that they are worn brings a smile to everyone's faces. Most importantly, just for wearing a costume gives students points for their House.

The highlight of each carnival is the Fashion Parade. Each year gets better. "You have to be in it to win it" "Being in a costume all day is so much fun. You can lose yourself in your character."

There were fantastic costumes worn by students who entered the 'FREE STYLE FASHION PARADE' at the Swimming Carnival this year. I would like to thank ALL students who got into the spirit of the day and made a fabulous effort putting together their costumes, making their costumes and those who successfully strutted down the concrete catwalk during the fashion parade displaying their character's personality. Congratulations to those who paraded in their costumes and maintained that persona throughout the day as well as competing in events.

Students were firstly selected by their unusual and eye-catching costumes throughout the morning. Each student received instant points for their House. I loved the way the senior students, in particular Year 12s did not want to swim until they entered the Fashion Parade. Well done for your enthusiasm! Students who then participated in the Fashion Parade competed for the First, Second or Third place awards. Points were allocated to the winning Houses. Congratulations to the winners and to all who entertained us throughout the day.

# FELT MAKING WORKSHOP

## FELT MAKING WORKSHOP (School incursion) Conducted by artist Barbara Joyce.

When I received the email about a Felt Making workshop, I immediately responded and booked a session with Barbara Joyce our visiting artist.

Session 1: Monday 4<sup>th</sup> February: Year 8 Art students

Session 2: Thursday 21<sup>st</sup> February: Year 11/12 Textiles students

Initially, I was interested in exposing my Art and Textiles students to a new medium and technique to add to their creative knowledge. However, these sessions had more impact on the students.

Monday 4<sup>th</sup> February, two year 8 Art classes were taught the wet felting technique by visiting artist, Barbara Joyce. They produced felted leaves of all shapes, sizes and colours to contribute to a three-dimensional sculpture of a tree to be displayed at the Kinglake library. The tree is part of commemorating the tenth anniversary of the Black Saturday bushfire of 2009. Each student's small contribution is part of a greater project. The leaf, as discussed in class, is a symbol of 'NEW LIFE'. The students, since that workshop, have drawn leaves and written messages of hope and resilience.

Some students were so interested in this felting technique that they also learned the needle felting method. Owl sculptures were begun and will be completed during my weekly lunchtime Craft session. Barbara was able to teach them the basic technique and the students expressed their interest in completing these projects. They loved the felt making workshop.

I booked Barbara for another workshop with my VCE class comprising of year 11 and 12 students to also allow them to learn this technique. Teaching a class of senior students provided Barbara with the opportunity to explain more complex processes and provide more extensive information. The students absolutely loved the wet felting technique. They also produced colourful examples of leaves that will also be a part of the Big Tree Project. As they were so enthusiastic, they were allowed to use the delicate and colourful wool tops to produce other leaves for themselves, tiny felted balls or learn the needle felting technique. Some students successfully produced solid mushroom forms and a delightful rabbit. This is definitely a technique I shall incorporate into my program.

I appreciate that Barbara has made the time to come to our school on these separate occasions.

## MATHS NEWS

### Extra Mathematics Support at DVC

'**Maths Help**' is a support program staffed by the College's Mathematics Teachers to enable students to obtain extra help with their maths work. This is offered in addition to the regular 'out of class' assistance that teachers provide. The sessions are offered so that students have further opportunity to ask about difficult questions and to clarify aspects of classwork they have not understood.

To get the best out of 'Maths Help', students should come along with specific questions to ask, e.g. "Could you help me with Question 4 of Exercise 3.4?" or "I am having difficulty multiplying fractions, could you go over the steps again?"

**'Maths Help' sessions run after school Mondays, until 4pm, and Thursday lunchtimes, in B2, the Maths room.**

'**Maths Mate Skill Builders**' - If your child is having difficulty with, or would like more practice at a particular maths skill, the Maths Mate Skill Builders are a very useful resource. These are booklets of worksheets, available to be downloaded in pdf form from the Maths section of the College Intranet, using your child's login. Each worksheet begins with some instruction and examples followed by practice questions. Answers are located at the back of the book for checking. Scrolling through to page (vii) you will find the contents section, where each skill is listed. Skill Builders also contain a Glossary of important mathematical facts and concepts.

For any further information regarding these programs, please contact the Mathematics Domain Leader, Glenys Kidd, or your child's Mathematics Teacher.

## MUSIC NEWS

Hello from the Music Program!

Welcome back for another exciting year of music at DVC! Lessons will begin in earnest from the 11<sup>th</sup> of Feb after finalising staff timetables and student enrolments. Some students may have had a preliminary lesson in the first two weeks and we will settle into a consistent schedule shortly.

Spots for guitar/piano/vocal/drums are completely filled! **There remain only a few spots for Brass and Woodwind instruments.** A reminder that Year 7 students will be lent a Brass or Woodwind instrument for free whilst they learn for the first 12 months.

Year 7s will join a Junior Band after the first term of learning notes on their instrument so get involved if you're looking to meet other people interested in music!

Event and Concert dates will start to appear in Compass over the next few weeks. Keep up the practice and do get in contact if you have any questions about lessons or enrolments!

In Yr 9 Art students are in the process of working on a dry-point etching whereby they use an etching press to print multiple editions of their hand drawn designs. Yr 10 Art students have just completed their exploration of Mixed Media and Yr 7 Art classes have been learning about one-point linear perspective.

The Arts Domain staff have been very busy organising excursions to the Seasons of Excellence showcase to help inspire and motivate our VCE students.

#### IMPORTANT DATES:

Top Class Drama at the Melbourne Arts Centre on Tuesday 12<sup>th</sup> March 2019.

Top Arts exhibition and folio viewing at the NGV Federation Square on Monday 25<sup>th</sup> March 2019

Top Designs exhibition and Industry Forum at the Melbourne Museum on Tuesday 23<sup>rd</sup> April 2019

The transformation of R3/4 (the temporary library site) into a permanent drama space is well underway. Students have been helping to remove the old shelving and desks and installing blinds and curtains to black out the room. This allows us to use and experiment with lighting effects. We are also updating our costume department to add more resources for students to access during class time.

If you have any old clothes or props you no longer need, please feel free to donate them to the college. We are specifically looking for jackets, dresses, hats, scarves, gloves etc.

Please contact Ben Strickland or Eve Dean.

### Mary Poppins Update:

Last week we held a meeting for all students interested in being involved in the 2019 college production of 'Mary Poppins'. It was fantastic to see so many students attend the meeting and express their interest in being involved in either an on stage role or being part of the back stage team. There is so much excitement and enthusiasm around this production and soon we will be underway in auditions for the main roles.

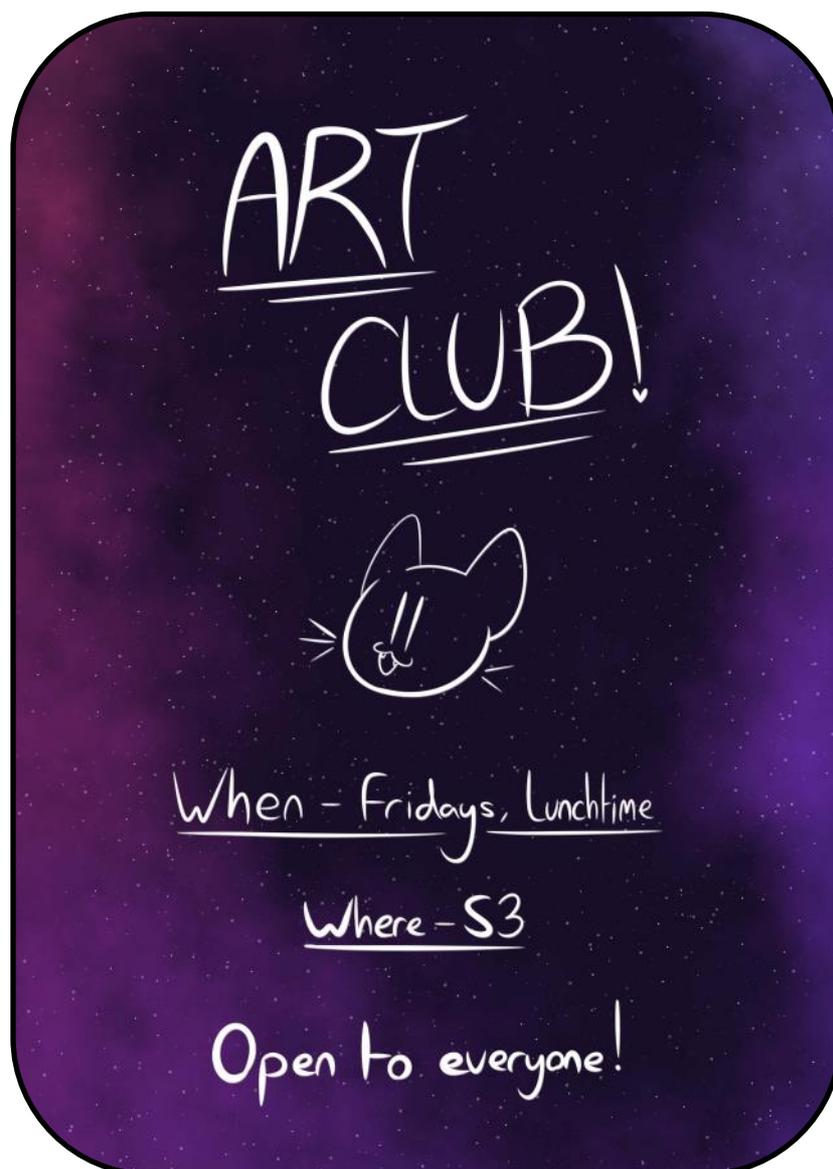

Students who are auditioning for a main role have been asked to learn one song from the character they are auditioning for. During the audition, they will be required to sing this song and then speak some dialogue which will be provided at the time of their audition.

We will be putting out the call soon for parents who might be willing to offer some time and expertise to support the college staff with set building and design, as well as costume making.

## YEAR 7 CRICKET

On Thursday the 14<sup>th</sup> of February I had the pleasure of coaching the Year 7 Boys Cricket Team. The team had had 2 training sessions prior to the day where students got to know each other. The rules are quite different to a normal game of cricket where batters bat for two overs and bowlers bowl in tandem having one over each, wides and no-balls add extra runs to the score.

The first game was played against Eltham High where our bowling was wayward at times, boosting the opposition score to 69 runs. With enthusiasm the boys were able to manage 23 runs, succumbing to the eventual winners of the day by 26 runs.

The boys were hopeful of success and enjoying the day when they played St Helena Secondary College. Our bowling and fielding improved immensely containing the opposition to just 39 runs. However, undisciplined batting and poor shot selection combined with errors running between the wickets gave us a score of -5.

Not to be disheartened by the previous efforts we won the toss and chose to bowl first, some great fielding and a better effort bowling, the boys contained Montmorency Secondary College to 49 runs. A new batting line up enabled the team to score 35 runs.

Over the course of the day improvement was huge and although we didn't win a game, the boys had a great day and were excited to be representing Diamond Valley College. Thanks to our student teacher Luke for umpiring /scoring and encouraging the boys in the field. I would like to thank the parents who found the time to come along and support the team. We looked like a team and played like a team. "Sport is not about winning and losing, it's about how you play the game." Thanks for a great day! John

Dear Sir/Madam,

I am writing to see if you have any students and/or staff that would be interested in volunteering for the Kinglake Country Fair. We as a company are sponsoring the event. The fair requires at least 25 volunteers, the more the merrier!

The Kinglake Country Fair of 2019 will be a seamless combination of old and new. Running from 1978 to 1999, the Kinglake Country Fair was a cherished annual event that brought families from all over the Kinglake Ranges together. The event showcased the best of what the Kinglake Ranges had to offer - authentic country lifestyle, local craft and produce, agriculture and horticulture, social connectedness, and community spirit and youth engagement. Now, after 20 years, the Kinglake Country Fair has returned for its second year! In it's resurrection last year, we saw an incredible amount of attendees and it was a roaring success. We need your help to keep it going.

The details of the event are as follows:

**Event Time:** 10am - 5pm.

**Location:** Kinglake Memorial Oval - 2980 Heidelberg-Kinglake Road, Kinglake VIC 3763.
