What a week it has been, I think everyone will agree that it has been exhausting. Students and teachers alike are adjusting to the routines of being at school again but I must say that it has been great to have everyone back. We adjusted the program on Tuesday to ensure that students had the opportunity to reflect on their remote learning experience and to reconnect with their peers. It was noisy, a little bit chaotic but very much needed. A huge thank you to Home Group teachers who ran activities and allowed the students an opportunity to catch up.

It is certainly more settled now and as I wander the corridors, it is fantastic to see students engaging in their work. I am also proud of the way they have adjusted to the expectations asked of them and caring for the safety and wellbeing of others.

Thank you also to the parents that have had to pick up students due to them being unwell. DET is quite clear that any student who is unwell should remain at home or if at school sent home immediately and I am finding the response from parents supportive. If students are demonstrating flu like symptoms, they must be taken for a COVID19 test and the results submitted to me prior to their return to school. Luckily, results are taking as little as 24 hours, or 48 hours at the most. This information is kept confidential but it is important that I can say with confidence once a student returns that they are well. The same is being asked of staff to ensure everyone’s safety.

Bookings for our Parent Teacher Interviews on Wednesday 24 June are filling fast, so I encourage you to get online and book in. Instructions will be posted on the College website that outline how you will engage in the remote meeting via your child’s Teams log in. It will be a different experience, but who knows it may be a better way! I look forward to your feedback after we have held the interviews. A reminder that students are not required at school on this day but are expected to participate in the interviews.

Planning is underway for Term 3 and we are still bound by a range of restrictions. The COMPASS calendar identifies a number of programs and activities for example Athletics Carnival, interschool sports and study skills programs. For planning purposes, these will remain on the calendar but are subject to confirmation. We will keep you informed as we know more.

Thank you for the positive response to these weekly communications. We intend to return to our fortnightly newsletters after this week. It will be nice to again celebrate the work and achievements of our students.

Enjoy your weekend.

Allison Bennett
Principal
1. Parents need to ensure that they have booked their parent teacher interview by **4pm on 22nd of June**. Bookings will be locked at this point. Students will be added to various parent teacher interview teams by their classroom teachers.

2. **Students need to have MS Teams** and be logged in to partake in the interviews. On the day the teacher will “invite” the student to the meeting on MS Teams.

   The invite will appear as in the image below:

   ![Invite Image]

3. Accept the invitation. Ensure that the Microphone is unmuted, and the camera is turned on. Click ‘Join Now.’

4. At the conclusion of the meeting you may hang up to leave, or the teacher can select an option to remove you from the meeting, resulting in the following screens, to indicate the exit has occurred.

   ![Exit Image]

5. Parents will need to switch between devices if they have multiple students at the College.
