

DIAMOND VALLEY COLLEGE INSTRUMENTAL MUSIC PROGRAM 2023

In 2023 Diamond Valley College will offer a wide range of instrumental tuition in **woodwind, brass, percussion and guitars.**

Any student who is keen to learn an instrument can apply to join the Diamond Valley College Instrumental Music Program. Once enrolment into the program is accepted your child will be tested as to their suitability in learning an instrument of their choice.

Lessons are held once a week, on a rotating basis, so students are not withdrawn from the same class each week. In that way, it is easier for students to attend their music lessons without affecting their class work in any of their other subjects. Students are expected to practice regularly at home, attend all lessons, and participate in weekly band rehearsals and performances throughout the year.

The cost for your child to participate in the Instrumental Music Program is \$480.00 for the whole year. If your child needs to hire an instrument there is an additional \$200 hire fee for the year.

If you would like to enroll your child in the Instrumental Music Program in 2023, please complete the Expression of Interest form attached. Full payment for Term 1 is required by **Friday 2nd December 2022** to confirm your child's place.
